CONVENTION PASSES INTO LOCAL HISTORY

(Continued from page 1)

Wednesday morning session was devoted to receiving the reports of the committees, especially the resolutions committee and to listening to the address of Geo. C. McMullen, of Kansas City on the finishing of range cattle for market; E. L. Potter of O. A. C. spoke on fattening steers on hay and hay with various substitutes; Dr. W. H. Lytle, state veterinarian, discussed range diseases and methods of using various remedies.

Wednesday afternoon T. W. Tomlinson, secretary of the American National Livestock association, discussed the organization of the Livestock interests; Robert Withycombe spoke on winter rations for calves and yearlings.

Among the features of the convention sessions was the patriotic address of Senator Walter Pierce of Union county. As in the address of President Pollman, Senator Pierce bespoke for the nation the undivided efforts of the stockmen to increase the food and its conservation that the war be won. In an eloquent preparation he roused the convention to patriotic fervor.

Among the resolutions passed by the convention were the following: Pledging loyalty to the government in the prosecution of the war; recommending the purchase of \$1000 worth of Third Liberty Loan bonds; requesting department of agriculture to furnish Kaqas blacking serum and to cease sending out vaccine now issue by the government; asking the Oregon legislature to pass priority grazing law similar to Idaho statute; recommending that soldiers and sailors be given priority homestead selection; that the section homestead law be suspended until after the close of the war; appropriating \$300 toward defraying expenses of the marketing department of the National Livestock association; thanking the people of Ontario, the stockmen of Malheur county and the various entertainers for the manner in which the convention was handled in Ontario; that an official paper for the publishing of stray notices be named.

CANDIDATE FOR SUPREME COURT VISITS COUNTY

Circuit Judge John S. Coke, candidate or the republican nomination for Justice of the Oregon Supreme Court, was among the visitors in Ontario during the livestock men's gathering. He has been making trips through Oregon in the interest of his candidacy.

Judge Coke's home is in Marshfield, Coos county, and he is making the claim that the Coast country of Oregon has never had a man on the supreme bench of the state. The Judge is now serving his tenth year as circuit judge in the Sixth district, which comprises six counties. He is held in high regard in his own section of the state and has always been given a big vote when running for circuit judge.

Judge Coke was at one time Mayor of Marshfield and later served as state senator from Coos county. He was appointed circuit judge when a third judge was added to the district and has since been elected by the people each time he ran for the office. He is making many friends and says he is expecting to receive the nomination for the supreme bench.

ANNOUNCEMENT.
To the Republican Voters of Harney and Malheur Counties:
I hereby announce my candidacy for the position of Joint Representative from this District in the next session of the Oregon Legislature, subject to your will in the matter.

If nominated and elected, it will be my aim to promote legislation that will enable the State to provide means for the care of the families of enlisted men; to provide for the protection of Oregon homes and industries, and to carry out the war to a successful and early conclusion.

I will also promote and work for legislation that will tend to increase the production of food stuffs, and prevent profiteering in the marketing of the same. I believe that our first and most important business is to win this war, and next to that, the encouragement of farm production, and if nominated and elected my efforts will be devoted to this policy as well as other meritorious legislation.
